## NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

THE SECRETARY of the ADMIRALTY,  
(Editor of the Navy List) London, S.W.1,

mentioning the ship or page affected.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

---

*The names of Officers on the Retired, &c., Lists, appear only in the February and August issues of the Navy List. The Contents Table for the Retired List appears immediately before the Index to Officers on the Retired, &c., Lists.*

*The rates of pay, regulations, &c., are contained in a separate publication entitled "Appendix to the Navy List," which appears in June and December.*

*The names of Temporary Officers of the Royal Navy, Royal Marines, Royal Naval Reserve and Royal Naval Volunteer Reserve who have been granted permission to retain their rank, with the right of wearing uniform on state and other occasions of ceremony, are not included in the Navy List.*

---

No Appointments made after the 18th of the Month preceding publication can be inserted in the NAVY LIST until the following List is published.

Officers on the Retired List are required to report their private permanent addresses and any changes therein to the appropriate authorities, as laid down in the regulations for Officers on the Retired List (see Appendix to the Navy List). If they are not drawing retired pay or pension, they should also report themselves by letter annually, on or shortly after the 1st January, to the Secretary of the Admiralty, or to the Adjutant-General, Royal Marines (for R.M. Officers), in order to ensure that their names are retained in the Navy List.

Officers on the Emergency List, Officers of the Special Reserve of Engineer Officers, and Special Reserve, Royal Marines, and Officers of the late Royal Naval Artillery Volunteers must similarly report their addresses annually.

Retired and Honorary Officers of the Royal Naval Reserve are required to report periodically as laid down in the R.N.R. (Officers) Regulations.

Retired and Honorary Officers of the Royal Naval Volunteer Reserve are required to report their addresses annually, on or shortly after the 1st January, to the Admiral Commanding Reserves.

It is particularly requested that all Officers whose names appear in the Retired Section of the Navy List and who are not drawing retired pay or pension should leave instructions that, in the event of their death, the fact is to be reported to the appropriate authority as indicated above.

The removal of an Officer's name from the Navy List in consequence of failure to report does not involve the termination of his commission or relieve him of the liability for service, if required when Retired, Emergency or Reserve Officers are called out in time of war or emergency.

---

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

---

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of the Degrees held but, generally speaking, are confined to degrees of an honorary nature conferred specially upon an Officer and degrees which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

---

*The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.*

*By command of their Lordships,*

R. H. A. CARTER.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 126 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(a) If, from any circumstances, the Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(b) If the number of persons belonging to the Naval Forces or Naval Reserve Forces specified in the Admiralty Regulations on board is less than 7, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number is caused by death, sickness, desertion or joining a British Man of War, or by some unavoidable casualty.

(c) If it should be found that, although the ship is provided with an Admiralty Warrant, the above Regulations are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty if the Commanding Officer is on the Retired List of the Royal Navy and to the Registrar General in all other cases.

(d) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty or Registrar General of Shipping and Seamen as the case may be.

## THE VICTORIA CROSS.

**GEORGE R. AND I.**

Whereas Her late Majesty Queen Victoria, by a Warrant under Her Sign Manual dated 29th January, 1856, did create a Naval and Military Decoration to be styled and designated "The Victoria Cross," and did express Her desire that this decoration should be highly prized and eagerly sought after by the Officers and Men of Her Naval and Military Services.

And whereas by divers subsequent Warrants other Officers and Men were admitted to and made eligible for the decoration, and certain amendments were made to the Rules and Ordinances attaching thereto.

And whereas the said Warrant and subsequent Warrants before referred to, as also the Rules and Ordinances affecting the same, were consolidated, varied and extended by a Warrant under Our Sign Manual dated the 22nd day of May, 1920.

Now, therefore, We do hereby declare that the Rules and Ordinances contained in Our said Warrant, heretofore in force for the Governance of the said Decoration, shall be abrogated, cancelled and annulled; and in substitution thereof We by these Presents, for Us, Our Heirs and Successors, are graciously pleased to make, ordain and establish the following Rules and Ordinances for the Governance of the same which shall from henceforth be inviolably observed and kept:—

Firstly.—It is ordained that the distinction shall as heretofore be styled and designated "The Victoria Cross," and shall consist of a Maltese Cross of bronze with Our Royal Crest in the centre and underneath it, an escroll bearing this inscription: "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a red riband of 1 inch and a half in width, and on those occasions when only the riband is worn a replica of the Cross in miniature shall be affixed to the centre of the riband.

Thirdly.—It is ordained that the Cross shall only be awarded for most conspicuous bravery or some daring or pre-eminent act of valour or self-sacrifice or extreme devotion to duty in the presence of the enemy.

Fourthly.—It is ordained that the Cross may be awarded posthumously.

Fifthly.—It is ordained that the names of all those persons upon or on account of whom We may be pleased to confer or present the Decoration shall be published in the *London Gazette* and a register thereof kept in the office of Our Principal Secretary of State for War.

Sixthly.—It is ordained that—

(1) Officers, Warrant Officers and subordinate Officers, hereinafter referred to as Officers, Chief Petty Officers and Petty Officers hereinafter referred to as Petty Officers, men and boys hereinafter referred to as Seamen, serving in (a) Our Navy or in ships of any description for the time being under Naval Command; (b) Our Indian Marine Service; (c) Navies or Marine Services of Our Dominions, Colonies, Dependencies or Protectorates; and (d) Our Mercantile Marine whilst serving under Naval, Military or Air Force Authority, or who in the course of their duties may become subject to enemy action;

(2) Officers, Warrant Officers, Non-Commissioned Officers, men and boys hereinafter referred to as Marines, serving in Our Marines;

(3) Officers, Warrant Officers, Classes I and II, Non-Commissioned Officers, men and boys hereinafter referred to as Privates, of all ranks serving in Our Army, Our Army Reserve Our Territorial or other forces and

the Forces of Our Dominions, Colonies, Dependencies or Protectorates.

(4) Officers, Warrant Officers (Classes I and II), Non-Commissioned Officers, and other Airmen serving in Our Air Force, Our Air Force Reserve, Our Auxiliary Air Force, or the Air Forces of Our Dominions, Colonies, Dependencies or Protectorates;

(5) British and Indian Officers and men of all ranks of Our Indian Army, the Imperial Service Troops of Native States of India, or any other Forces there serving under the command, guidance, or direction of any British or Indian Officer, or of a Political Officer attached to such Forces on Our behalf, and

(6) Matrons, sisters, nurses and the Staff of the Nursing Services and other Services pertaining to Hospitals and Nursing, and Civilians of either sex serving regularly or temporarily under the Orders, direction or supervision of any of the above-mentioned Forces

shall be eligible for the Decoration of the Cross.

Seventhy.—It is ordained that if any recipient of the Cross shall again perform such an act of bravery, as would have made him or her eligible to receive the Cross, such further act of bravery shall be recorded by a Bar to be attached to the riband by which the Cross is suspended, and for every such additional act of bravery, an additional Bar shall be added, and any such Bar or Bars may be awarded posthumously. For every Bar awarded a replica of the Cross in miniature shall be added to the riband when worn alone.

Eighty.—It is ordained that every recommendation for the Award of the Decoration of the Cross shall be made and reported through the usual channel to the Senior Naval, Military or Air Force Officer Commanding the Force, who shall call for such description, conclusive proof as far as the circumstances of the case will allow, and attestation of the act as he may think requisite, and if he approve he shall recommend the grant of the Decoration to Our Lords Commissioners of the Admiralty, Our Principal Secretary of State for War, or Our Principal Secretary of State for Air, as the case may be, who shall submit to Us the names of every one so recommended whom they shall consider worthy; in the case of there being no British or Indian Officer, then the Political Officer attached to the Force shall, after obtaining conclusive proof of the act of bravery as far as is possible if he approve, submit the recommendation to Us through the proper channels.

\*Ninthy.—It is ordained that in the event of any unit of Our Naval, Military or Air Forces, consisting in the case of Our Navy of a squadron, flotilla or ship's company, or of a detached body of seamen or marines; or in the case of Our Army of a regiment, squadron, battery or company, or of a detached body of soldiers; or in the case of Our Air Forces of a Squadron or other body of airmen, having distinguished itself collectively by the performance of an act of heroic gallantry or daring in the presence of the enemy in such a way that the Flag, General, Air or other Officer in command of the Force to which such an unit belongs, is unable to single out any individual as specially pre-eminent in gallantry or daring, then one or more of the personnel comprising the unit shall be selected to be recommended to Us for the award of the Victoria Cross in the following manner:—

(a) When the total personnel of the unit does not exceed 100, then one officer shall be selected for the Decoration by the officers engaged; and in like manner one warrant officer or petty officer or non-commissioned

officer of the unit shall be selected by the warrant officers, petty officers or non-commissioned officers engaged, and one seaman, marine, private soldier or aircraftman shall be selected by the seamen, marines, private soldiers or aircraftmen engaged.

(b) When the total personnel of the unit exceeds 100 but does not exceed 200 than the number of seamen, marines, private soldiers or aircraftmen to be selected in the manner described in (a) shall be increased to two.

(c) When the total personnel of the unit exceeds 200 in number, the number of Crosses to be awarded in accordance with these provisions shall be the subject of special consideration by Our Lords Commissioners of the Admiralty or by one of Our Principal Secretaries of State for submission to Us.

(d) The selection to be by a secret ballot in such manner as shall be determined in accordance with the foregoing provisions by the Officer directing the selection to be made.

(e) The death of any person engaged shall not be a bar to his selection.

(f) The names of the persons recommended in accordance with these provisions shall be submitted to Us in the manner laid down in the eighth Clause of this Our Warrant.

†Tenthly.—It is ordained that ever recipient of the Cross, not being or ranking as a Commissioned Officer and in the case of Our Navy and Our Marines not being or ranking with a warrant officer, and not coming within the eleventh Clause of this Our Warrant, shall from the date of the act by which the Decoration has been gained, be entitled to a special pension of Ten Pounds a year, and each additional Bar conferred under the seventh Clause of this Our Warrant on such recipient shall carry with it an additional pension of Five Pounds a year.

Eleventhly.—Every Indian Officer of Our Indian Army of rank junior to that of Second Lieutenant who shall have received the Cross shall, from the date of the act by which such decoration has been gained, be entitled to a special pension of five hundred and twenty-five rupees a year and each additional Bar conferred on such Indian Officer

\* Whenever Officers and men participate in a ballot for the Victoria Cross under the provision contained in the ninth clause of the above Royal Warrant a notation will be made in the official records of the Officers, and on the Service Certificates of the men not selected to the following effect:—"Participated in ballot for award of V.C. to member(s) of Ship's Company or to Officer(s) of.....name of unit.....date....." Such notations are never to be made on Service Certificates until Admiralty authority in the particular case has been given in Fleet Orders. (C.W. 13424/21.)

† By O. in C. of 11th October, 1921, the Ad-

shall carry with it an additional pension of one hundred and fifty rupees a year. In the case of a Warrant or Non-Commissioned Officer or soldier of Our Indian Army aforesaid We ordain and award a special pension of One hundred and fifty rupees a year, with Seventy-five rupees a year additional for each additional Bar. On the death of a recipient of the Cross to whom this Clause applies, the pension shall be continued to his widow until her death or remarriage.

Twelfthly.—It is ordained that reproductions of the Cross known as a Miniature Cross which may be worn on certain occasions by those to whom the Decoration is awarded shall be half the size of The Victoria Cross and that a Sealed Pattern of the said Miniature Cross shall be deposited and kept in the Central Chancery of Our Orders of Knighthood.

Thirteenthly.—It is ordained that it shall be competent for Us, Our Heirs and Successors, by an Order under Our Sign Manual and on the recommendation to that effect by or through Our First Lord of the Admiralty or one of Our Principal Secretaries of State to cancel and annul the award of The Victoria Cross to any person, together with any pension appertaining thereto not already paid, and that thereupon his or her name in the Register shall be erased; but that it shall be competent for Us, Our Heirs and Successors, to restore the Decoration when such recommendation has been withdrawn and with it such pension as may have been forfeited.

Fourteenthly.—It is ordained that notice of cancellation or restoration in every case shall be published in the *London Gazette*.

Lastly.—We reserve to Ourselves, Our Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with these regulations, or any part thereof, by a notification under Our Sign Manual.

Given at Our Court at St. James's, this 5th day of February, in the 21st year of Our Reign, and in the year of Our Lord one thousand nine hundred and thirty-one

**T**HE object of the Home is to provide primarily for the fatherless and/or motherless children of those below Warrant Rank serving or who have served in His Majesty's Navy or Royal Marines.

If accommodation is available to receive the children of men below Warrant Rank serving or who have served in His Majesty's Navy or Royal Marines when very special circumstances render this desirable in the interests of the children.

To give the children a useful and religious education according to the principles of the Church of England, and to support and clothe them. To train the girls for such occupation as the Directors deem advisable. To give appropriate training and equipment to the boys.

In selecting children for entry each case will be considered on its merits. As a general rule fatherless children will be deemed to have first claim.

In every case the Directors will determine according to the circumstances of the case whether a contribution is to be made by the parent or guardian to assist in the maintenance of the child and what the amount of the contribution shall be.

In the Home there is accommodation for 100 girls, these are eligible for admission between the ages of 7 and 11 years. There is also accommodation for 30 infant boys and girls between the ages of 4 and 7 years.

The girls are under the guidance of a capable Matron, assisted by properly qualified instructresses; between the ages of 14 and 16 they are subject to a course of domestic training in the Home, unless they have qualified for the Secondary School course, when their schooling is continued, and every girl who shows a particular aptitude for any special subject is given facilities for pursuing her studies at the Municipal College.

Boys over the age of 7 years are sent to the Swanley Home in Kent, where they are maintained and educated until they reach the age of 14. Suitable boys who wish to go to sea are retained there until they are 16 and given special education and facilities for entering the Mercantile Marine as apprentices.

Accommodation for 71 boys, maintained by the funds of the Home, is available at Swanley.

The Directors depend upon voluntary contributions for funds to carry on the Home; the number of children they can receive is governed by the amount of pecuniary support given. They therefore confidently appeal for help in carrying on and extending these works of usefulness, rescuing from want and misery, and educating and rendering fit for a useful and happy life the children of those who have served their Country, and who in many cases whilst thus engaged, have lost their lives in war or by shipwreck or illness.

Visitors are cordially invited to view the Institution, which is open daily for inspection from 2 p.m. till 6 p.m., Sundays excepted.

"Nore Scholarships" at the Chatham Secondary School for girls, at the expense of the Funds, have been instituted.

Since its foundation 201 girls have been received into the Home and 134 boys have been admitted and maintained at Swanley at the expense of the institution.
